

2020 Disclosure and the True Nature of the UFO Phenomenon

By T.W. Tramm

2020 has seen numerous headlines about UFOs and how authorities are treating the phenomenon as something real and possibly otherworldly.

What's interesting about this piece is that it touches on how the phenomenon has changed our perception of the universe and our place in it.

From the article:

“There was a time when we took it for granted that humans were alone in the universe at the top of the evolutionary heap—above us were only the angels. But decades of science fiction have surely undermined that. Given the number of alien contact movies in the past few decades, it is more likely that angels visiting Earth would be greeted as aliens than that aliens visiting Earth would be greeted as angels.”

Indeed.

While humanity used to regard strange aerial phenomena as angelic or spiritual, decades of conditioning have many concluding they are spacecraft piloted by alien beings.

But is it possible our supposedly less sophisticated predecessors had it right?

Could the mystifying flying objects our technology-oriented society assumes to be alien craft be in reality a manifestation of the Bible's angelic/demonic realm?

Consider these facts related to the UFO phenomenon:

- UFO sightings tend to be more common in areas with less Christian influence.
- UFO craft perform impossible aerial maneuvers at speeds that would incinerate any physical object; they materialize and dematerialize, change shape and color, and pass through solid objects like ghosts.
- Livestock mutilations and crop circles linked to UFO sightings recall rituals associated with Voodoo, Witchcraft, and Satanism.

- The current era of heightened UFO activity began in 1947, the year the United Nations approved the creation of the modern State of Israel: a prophetic milestone related to the Bible's "fig-tree" parable (Matt. 24:32-34).

Integral to the UFO phenomenon are alien contact or "abduction" experiences, of which the following is well documented:

- Accounts of abduction by beings resembling today's aliens date back to antiquity when the non-human entities were thought to be angels, fairies, elves, gnomes, gremlins, or goblins.
- Individuals claiming to have been contacted by aliens often have a personal or family history of dabbling in occult practices such as Ouija, séances, and Witchcraft.
- Aliens are said to perform supernatural acts one would normally associate with poltergeist activity or demonic possession: they levitate people and objects; they can induce paralysis in humans at will; they communicate telepathically in any language and demonstrate unusual knowledge.
- Despite the aliens' supposed advanced technology, so-called "medical procedures" performed during abductions are more akin to sadistic torture practices than state-of-the-art medicine: alien doctors are said to insert oversized needles into eyes, ears, nostrils, or navels while the human subject is fully conscious and terrified.
- Aliens are known to quote Scripture. They show particular interest in Bible prophecies related to Armageddon and persistently warn of a cataclysmic period coming upon the earth, during which they will be present to "assist" humanity.
- Aliens promote a spiritual agenda that conforms to New Age principles such as belief in an impersonal god and reincarnation. They acknowledge that Jesus exists but only as one of many ascended masters.
- "Alien contact" has been induced by ingesting powerful psychedelic drugs such as DMT. Users consistently report being transported to another realm or dimension where they meet beings—"elves," "jesters," or "aliens"—who emit a mischievous or malicious vibe.
- Aliens are often said to be accompanied by a repulsive sulfur-like stench.
- The most frequently encountered aliens, known as the grays, are described as having a froglike appearance: large head, spindly appendages, and huge black almond-shaped eyes. The second most commonly encountered alien is said to be locust-like in appearance. The frog and locust-

like appearances are noteworthy because the Book of Revelation describes an invasion of evil spirits resembling “frogs” and “locusts” during the tribulation period (Rev. 9:3; 16:13, 14).

- Finally and most telling, attempted alien abductions have been thwarted by the biblically prescribed method for vanquishing demons: invoking the name of Jesus Christ. In cases where true, faith-wielding believers have called out to the Lord for help, the would-be alien abductors have departed abruptly.

What is truly behind the UFO/alien phenomenon?

For the Bible believer, the facts speak for themselves. Scripture says “our enemy is not flesh and blood but spiritual forces of evil in the heavenly realms” (Eph. 6:12). The ruler of this realm, called the “prince of the power of the air,” is Satan (Eph. 2:2).

According to the final book of the Bible, during the days of judgment, hordes of wicked spirits and evil angels resembling frogs and locusts will be unleashed upon the earth to torment those who reject God’s free offer of salvation:

“Out of the smoke [of the Abyss], locusts descended on the earth, and they were given power [to torment] like that of the scorpions of the earth” (Rev. 9:3).

“I saw three impure spirits that looked like frogs; they came out of the mouth of the dragon ... They are demonic spirits that perform signs” (Rev. 16:13, 14).

That UFOs are appearing more frequently and openly is a sign that Judgment Day is near.

Yet much of the world, blinded by unbelief in God’s word, cannot see it.

NOTES:

1. What is referred to as the “modern UFO era” began in 1947 with the Roswell crash in New Mexico and also Kenneth Arnold’s mass sighting of saucer-like objects near Mt. Rainier, Washington. UFO sightings were so widely reported between 1947 and 1950, the time during which the prophetic budding of the “fig tree,” the nation of Israel, was occurring, that the US government set up a special program called Project Blue Book to investigate the phenomenon.

2. Details of alien encounters are taken from the writings of Dr. I.D.E Thomas, Jacques Vallee, John E. Mack, David M. Jacobs, Joe Jordan (Alienresistance.org), and others.

3. The Bible on deception in the last days:

"The god of this age has blinded the minds of unbelievers..." (2 Cor. 4:4)

"The coming of the lawless one will be in accordance with how Satan works. He will use all sorts of displays of power through signs and wonders that serve the lie, and all the ways that wickedness deceives those who are perishing. They perish because they refused to love the truth and so be saved. For this reason God sends them a powerful delusion so that they will believe the lie" (2 Thess. 2:9-11).

"As Jesus was sitting on the Mount of Olives, the disciples came to him privately. 'Tell us,' they said ...what will be the sign of your coming and of the end of the age? Jesus answered: 'Watch out that no one deceives you. For many will come in my name, claiming, I am the Messiah' [the savior of humanity], and will deceive many.'" (Matt. 24:3, 3).
